BOSTON

29 July 1920.

Dear Dr. Cushing:-

Very glad to get your p.c. Enclosed is the note on Mercier. I shall never forget that evening. Also, I am sending a note that I sent to Dr. Abbott for her journal; you need not return it.

All as usual here; rather busy for a young fellow. The course ends tomorrow; I think we have had some success. Albany is undecided.

Love to all,

H.V.

HV/M.

The Cambridge *U.C.D.* is fine - just in the papers today -
