Dear John

Yes, Wed. is our regular tea day at 4 p.m.

You keep up a good big heart. You dare not go back; indeed you ought to forget the past & live your own independent life. Don't try & don't want to make up.

Dear man Christ alone can satisfy the heart & He never disappoints.

Affectionately yours,

Howard A. Kelly.

Osler's letter shows you that all your friends are with you. "Wait on thy God continually". Hos. 12: 6.
