

To Sir John MacAlister. ^{CUS417/122.66}

13, Norham Gardens,
Oxford.

P.C. Script. re books etc.

I suppose you have had the memorandum from Raney, wh. seems very reasonable. If there is anything we can do let me know. Page will have had it by this time. He is interested. The matter is important I wonder if it would be worth writing a personal note to Balfour. It is a source of irritation in America which should be removed.

W. Osler.
