

From Dr. Malloch's Journal.
Monday, Dec. 18, 1916.

W.O. very interested in a copy of Moliere's 'Maladie Imaginaire' (1673) pp.40. Can find no reference to this in Brunet etc. though one of same date (not 1684) as usual) with 36 pp. Editors differ much as Moliere died saying word "Juro" whilst play was being acted for 3rd time. There are several different endings.
