From Dr. Malloch's Journal.

Christmas Day, Dec. 25, 1916.

Monday

W. O.'s Christmas message for Lloyd's weekly "The Silent Unit". On the whole a very quiet day and we all missed Revere so much. Shoals of letters for the Oslers. Sir Wm. gave me photo of the Sargent portrait. A quiet lunch here. Mrs. Draper here for dinner. W.O. down for first time.
