Dearest Gwen

On August 11th 1916 I sent you a cheque made out to Toronto General Trust Co. to pay off the 2nd Mortgage. This cheque has not been presented at Dominion Bank - up to Jan 1st Did it ever reach you? Let me know at once. If it did not, I will have payment stopped on it, and send another.

I hope you are all keeping well this Xmas. Love to Little Auntie & the darlings. I have been laid up with a heavy cold but am all right again now. Revere is hard at it, but keeps well. We do not hear very often, as the weather is bad & the steamers uncertain. I have not seen May for weeks. Charlie is instructor at Hythe. Sister is doing splendidly at Beechboro - park hospital I hope you got Muniton work, but do not do too much.

Love to the Bankeress. Make her look after your affairs & invest muniton earnings

Your loving

Old Doctor
