Oxford, Feb. 1st (1917) 13

Do send the paper of Farmer to us for the Qart. Jr. of Med. - Garrod is away in Malta. Poor fellow! few have had such knocks. I knew the boys well, such likely chaps.

Good word from Revere - back ⁱⁿ ~~on~~ rest - billets after 3 months continuous fighting on the Ancre. I am all right again. My attack was pure pneumococci.
