Library of Wales)

13, Norham Gardens,  
Oxford.

Dear Mr. Ballinger,

I have been laid up - hence delay in  
answering yours of the 11th ultimo. You have the 'plant'  
for a great library School. I will certainly urge the scheme  
at the Commission and when the time comes will seek your  
Counsel. Have you the literature of the various American  
Library Schools? A memorandum ~~from~~<sup>one</sup> you would be most helpful.  
I am sure the opportunity is ~~the~~<sup>one</sup> not to be missed.

Sincerely yours,

(Signed)

William Osler.
