Letter (Script)

Has a copy been sent home?  
I must write to your father.

Dear Archie,

Send me the list of people to whom you are sending F. & B. Are you giving copies to the R. C. Phy. and to Norman Moore? I am sending to Shipleys for the Masters Lodging. Shall you send to Mrs Guest, who was asking after you the other day. It looks A.I. and will last, as a bit of really good work.

All goes well. Revere battery is following up and he hopes to be in the Bapaume ridge, before long. We have finished A in the catalogue lap 1. 'Tis a slow job, so much to be looked up. A few good things come in, a fine M.S. of Baptista Porta; but missed a 1553 1st. collected ed. of Rabelai's.

Love to Bill and all the boys.

Yours,  
W.O.
