Rockefeller Institute, N.Y.,
April 24, 1917.

Dear Mr. Murphy:

I showed Dr. Osler's letter to my brother, who will speak to you about it. He I think concurs with me in the view that it is not likely that large numbers of physicians will go to England for study after the war. I

(J.D. Rockefeller
group of letters)

(To Mr. Murphy from Dr. Flexner - cont.)

believe, however, that he has some plan in his mind which may be regarded as an alternative. This he wishes to bring to your attention.

Sincerely yours,

Simon Flexner.
