

CUS417/123.117

Letter from W.O. to Dr. Adami

13, Norham Gardens,
Oxford.

Monday. (1917)

Final?

Script.

Dear Adami,

No chance to get away tomorrow or Thursday exams are on. I hope to get up Friday but it will depend on the time at which the chemistry men finish. I have to sign the papers at the examiners meetings.

Yours,
W. O.
