

Copy of letter from Dr. Adami to W. O.

Typewritten.

June 20th 7

My dear Sir Silliam,

It is like your dear good self to send me this note about your not being able to turn up at my lectures.* not one man in a thousand would have thought of this act of kindness, and it goes to one's heart's core.

Yours ever,

Sir William Osler, Bart.,
13, Norham Gardens,
Oxford.
