Library of Wales)

13, Norham Gardens,  
Oxford.

Dear Ballinger,

I should be only too glad of a room in  
Alexandra Hall, if the other people and students are stopping  
there. It would be nice to see something of them. Thanks  
for your notes which will be most helpful. I wish to plead  
for a ~~stronger~~ closer affiliation of the Library School with  
the University.

Sincerely Yours,

(Signed) William Osler.
