

13, Norham Gardens, Oxford.

13.XI.17. (Nov. 13th).

Dear Macphail

Thanks for your cable which I have sent on with a letter to Perley. . I do hope it will go through.

I enclose subsc. & a bonus for the Magazine - the latter to express practically my appreciation of the quality of the work in it. Hickson's article in the last no. was A.1.

Yours ever, .

W<sup>m</sup> Osler.

I hear you are going into politics! Heavens!
