Dearest Gwen

I am waiting to hear from Bertram about the mor(t)gages which I should like to pay off as an Xmas present. It would be so nice to have the house free and all your very own. I enclose cheque for \$100 for Xmas, which I hope will reach in time - letters are taking about 3 weeks. Do tell B. to let me know about the Mor(t)gage. I might be able to pay off the interest & all.

We have not seen Jim lately. He is [a] fine officer - A.I. tell little auntie her boy is the gem of the flock. 'Sister' got married, inadvertently, the other day - such a nice fellow. May is desolate. Charlie got a bullet in the sole of his foot & 47 holes thro. his machine! He is in hospital, but so well now

Your loving

Old Doctor

Kisses to the darlings
& to little Auntie
