So sad to
hear of
Janeway's
death.

Dear Davison,

Thanks for the trouble you
have taken about Bobbie Emmons. I do hope
he may be able to make arrangements to
take up medical work of some kind. It is
such a pity to waste his time in *canteens*.
All well here. Dreyer has gone off to
America. Hospitals full. *Cliveden interesting*
as ever. I wish I could see you all in
France. Love to the L of your L.

Yours,
