

(Dr. Hunter Robb)

13, Norham Gardens, Oxford.

20.II.18 (Feb'y 20th)

Dear Robin

Love to you and to Marguerita! I have not had your address or should have written before. Best wishes & all happiness to you both

Where are the dear boys? Do tell them to come here as to their home, if they get a chance.

We are of course heartbroken, but have to keep up appearances - there is any amount of work to do.

Ever yours,

W^m Osler

(Note: This refers to the present Mrs. Robb. H.R.)
