Letter (Script)

Dear Archie,

I enclose a letter from ^{wa} ~~Mr.~~ Mac which will interest you. Write to him J. H. H. Balt., as I daresay by this time he is back. I have the also a couple of those you have marked. I have been bedevilled ~~to death~~ lately Charlie Bath had a smash at Winchester forehead knocked in and very bad. Then John Archibald has had pneumonia and I have been up every day since Saturday. Both lungs involved and pericardium but he is recovering. You will get a good knowledge of Paris in this stay. Have you seen Rist? Such a dear fellow.

Yours,

W. O.
