(hand-written)

Dear Mrs. Singer,

That is a splendid programme. Congratulations! 'Tis a big job, but with time and persistence you will see it through. I forgot to tell you I had a very sympathetic letter from the Pres. of the Roy. Soc. Do you not think that a grant should be asked for? or would you rather wait until the heavy business of the printing? The R.C.P. would I am sure also help with a grant.

We shall be away until the 15th.

Yours sincerely,
Wm. Osler.
