Dear Miss Jewett:

It is a great pleasure to have your letter & the notice of your father, which is just what I wanted. Have you any spare copies of his original papers, just one or two to put in my collection?

My greetings to Dr. Eastman, We have three Am. army officers with us this week and Miss of the Brigham Hospital & we are seeing a great many of the splendid fellows who are coming over. Let us know of any of relatives or friends who may be in England.

Sincerely yours,

Wm. Osler
