Letter (Script)

~~the~~ [Influenza Pneumonia]

14. 10. 18.

Dear Archie,

Dee lighted to hear you are to come over. 'Twill be splendid. Get some good slides for lantern if possible. It is to be a big discussion. Rolleston asked me to open, but I had nothing special and too busy. U.S. troops in the thick of an epidemic here. Bill here and is well.)

Fine haul from Harvey Littlejohn. Big ether-day dinner of the Boston men on Wednesday. I am to show the original papers. Final meeting of the Graduate Com. of the Hosp. on Thursday. I have to be in town three days worse luck.

Most encouraging letter from father did you not think?

Yours ever,

Wm. Osler.

Am. concern to read a Influenza. W.V. not there
