Dear Mrs. Myers

Many thanks for the list, which more than ever makes me wish the 1846 & 1847 vols. of B.M. & S. Jr. I have asked Goodspeed to look them up. He seems A 1 at finding things. The Letheon pamphlet I wish is by Morton, but I should like also the Warren one, 1847.

All well here; the boy was home on leave for ten days, looking so fit.

Sincerely yours,

Wm. Osler.
