Dear Mrs. Myers

What an angel! Thank you so much. All I lack now -- badly -- is the B. M. & S. Jr., but it is sure to turn up. I read a paper the other evening on the early publications of Morton which I will send to the B. M. & S. Jr. as it has one or two points of interest. Have you edition 1st of Letheon, or is it in Boston?

All well here and very proud of all the good Americans who are streaming in.

Sincerely yours,

Wm. Osler.
