Dear McCulloch:-

At the sale you missed both copies of the Apulei~~us~~s which went  
at seventy-five pounds and ninety-two. You should be able to get a  
copy at fifty or sixty pounds. You got the Rat oldt, Albumaser 1489,  
\*14 and the Alchibitius, the rare edition 1521 for £15. I have asked  
Quattich to hold them for you.

When are you likely to be over here again?

Sincerely yours,

Wm. Osler.
