

ANSWER to above from Dr. Osler.

CUS417/126.148

From the Regius Professor of Medicine, Oxford.

11th Jan. 1919.

Dear Knopf,

Kind man. Thanks for your letter of sympathy. It has of course been a pretty hard business. So good of you to send the book. It is nice to see how active and helpful you have been in all the Tuberculosis work of the war.

Sincerely yours,

WM. OSLER.
