Dear Archie,

No - no luck missed three good items last week, among them the Galen 1500 which I have been after for years as it is an important edition. Some of S. of B. ran it up to 43. A few ordinary items came in.

Bill, Martin (not the Col.) Hopkins, Seymour, (Boston men) and Bisken who married Joan MacKenzie were here for the week end.

You reprint looks A.I. 'Twill follow F. & B. in the B. literaria.

Yours sinc.

W. O.

Your two books came back from Maltby.

S of B = Sons of Balthazar.
