

Dear Farlow

CUS417/126.164
Oxford, Dec. 18, 1918.

Your books on the Library gave me such pleasure, and it is such a good bit of work. I am so glad you did it—and I did so love to see the good pictures of my dear old friends Jim Chadwick and Dr. Brigham. I had forgotten what an old student at the Library I was.

Hearty greetings to your Library Committee and congratulations to you and the Library!

Sincerely yours,

Wm Osler.
