Dear Miss Blogg

Thanks for your kind card of remembrance. I suppose you are looking forward to the Hurd Library. I have not yet seen the plans. Have they been printed? I wish you could come to help me to put my books in order. I am trying to make a catalogue on very heterodox lines but I think it will be interesting. I am getting a good many early books. The difficulty is to find the time for the necessary reading connected with a catalogue raisonné.

With best wishes for 1919.

Sincerely yours,

Wm Osler.
