(Letter to Dr. Richard P. Strong)
(handwriting)

13.I.19

OXFORD

Dear Strong

The Pascal is a beauty & very rare. I have known of it & tried to get it without success. It is his most important scientific work, in many ways, & such a beauty! The Trans will be most useful. So many thanks. All well we have the Harvard Unit here & the New fellowship gives them a dinner Wed. eve.

Love to you both from us both

Yours ever
