

CUS 417/127.26

From the Regius Professor of Medicine, Oxford.

13, 1, 19

Dear Streeter

Is it not high time you get to England on leave
and came to see me? Come directly to us, - do not wait in
London. I have all sorts of things to talk with you about,
& you could browse in the Bodleian - . Greetings for /19.

Yours sincerely

Wm. Osler.
