

To Sir J. MacAlister.

Letter Script.

Oxford.

16. 1. 19.

Dear MacAlister,

I had a few minutes talk with Welcome who seems interested in the P.G. scheme. The essential is a home for the men and a skilled Secretarial. If he could help with this all would go smoothly and we could liven up the Fellowship. Could we not see him together? I am sending him the scheme so far as it has progressed.

Sincerely yours,

Wm. Osler.
