

have a talk before you go.

Dr. Abraham Jacobi.

Feb. 20
CUS 417 / 127. 123

I am so glad to have your letter this morning... I hear of you occasionally from New York men who are here, and it's splendid to know that you keep so well and active. I keep busy at one thing and another, and have a very ambitious scheme about my library I am collecting for my old school.
