

July 16, 1919.

OXFORDSHIRE ASSOCIATION FOR THE PREVENTION OF TUBERCULOSIS.

County Care Committee.

National Association for the Prevention of Tuberculosis.
Oxfordshire BranchFounded in 1910.

The Council and the Executive Committee desire to express to Sir William Osler their regard and gratitude for the work he has done as President of the Association during the past nine years.

The initiation of the campaign Consumption and any success it has achieved in Oxfordshire are due to him, and while expressing their appreciation of his devotion to the cause and the great personal service he has rendered, the Council desire to offer their most hearty congratulations on the great honour done to him by the medical profession on his birthday, and to be allowed to associate themselves with the wish thus expressed by Sir Clifford Allbutt "that he may remain with us for many years to come as a leader in the van of medicine and an example to us all."

(41 names being appended to this).

Miss Mabel E.M. Price ~~was the~~ Judge Lodge's
St. Giles
Oxford.
