William Harris an

22 VII, '19.

13, Norham Gardens, Oxford.

Dear Garrison:

This is what Moore sends⁺ - I have asked Chaplin to look it up at the College. ~~Cain's~~ may have brought the idea from the continent. Of course you know the Babylon-figures^{es} given by Justin - (Jastrow?) it is an old affair evidently. Do set your plans for a trip over here next summer.

Yours,

W.O.

+ Referring to caduceus lore in recently printed works of John Cain.
