13, Norham Gardens, Oxford.
24. VII. 19.

Dear Keith

Only just now had a chance to look over your book*- delighted to see so many of my old friends from Little to Julius Wolff - whom I knew well in Berlin. It makes a fine group - & you have earned our gratitude in recalling their work & worth to a busy & sometimes forgetful generation

Yours,

W^m Osler

*"Menders of the Maimed".
