

To Sir John MacAlister.

Letter Script.

13, Norham Gardens,  
Oxford.

July 24, 1919.

Dear MacAlister,

Sorry for the delay, but I have been still seedy.

I send you the letter which I have just written to Wright. It would be impossible for us to get a representative meeting under present circumstances, so that would it not be much more satisfactory if the Fellowship continued until we were ready to have further meetings with reference to amalgamation? I think this is the solution of the problem for the present.

Sincerely yours,

Wm. Osler.
