

CUS 417/129.79

13, Norham Gardens,

Oxford.

July 25, 1919.

Dear Packard,

This little Hymn to Health of Ariphton's might go in the Annals
somewhere as packing.

So glad that Hoeber will take over the Spielmann's Vésal which is a
great piece of work.

Sincerely yours,

W^m Osler
