Dear Mrs Mullin

So nice to hear from you - & of Nellie - the saint! I hope  
all goes well with the boys. We have just had a wire from Archie telling  
of the death of his father. Those were happy days when I used to play about  
that dear man of yours - was he not a jewel? - & dear Malloch. *with*

We keep well

Yours ever

*Weller soon flew the death of Dr Malloch.*
