(Handwriting)

Written after receiving Dr. H's
note of congratulation upon his
70th birthday.

(Dr. Andrew Henderson)

St. Brelads Bay, Jersey
9. viii. 19.

Its myself, Andy, was glad to hear from you. There are few left of the
really virtuous like you & me. I wish I was near to take a drink - or
two - with you in these dog days. I am standing the strain very well. I
never deserved to get here -

Your old chum
