Dearest Gwen

I knew you were busy & had wafted your thanks by telepathy across the deep blue sea. So nice to hear of the darlings & of the house. May is crazy about your chicks & says they are unique. Where is Ken going to School! Do cheer up Bea to whom I have written not to take a gloomy view of the attack I am sure she can be cured.

Bill has been here for a week - such a lovely spot. It is doing us so much good. The old man had his 70th bd-day but is feeling fairly spry. Let me know at any time if there is anything special you need Keep a careful eye on Little Auntie

Your loving

Old Doctor.
