Letter (Script)

17. IX. 19.

Dear Archie,

Garrod writes that he will be glad to have you and wishes to see you. I think it would be good to get 1) definitely associated with his clinique voluntary asses. 2) take up the pneumonia problem with Andewers and get as much clinical experience as possible with the different forms.

3) Sweat up the literature of it and

4) Pick up anything useful that may be going.

Telephone G. I enclose his address and T. no.

Yours,

W. O.
