

Dear Sir

Montreal 17 November 1792

I avail myself of this opportunity by Mr Litch;
and transmit you the West Acc^{ts} for 1791 closed to 30th Instant, &
continuation of Close of the NW Account for 1792 to the same date
which beg you will communicate to Mess^{rs} Small & Montour.

We have no mail from hence to go by the December packet,
nor shall we draw on your house sooner than by the January one,
when, at least, our Bills will amount to £2000.

We are just now informed that Mrs MacLeod has purchased Preux's
house in the Collet Street, if true, that circumstance may increase
our demands on you 1000 £.

Mrs MacBeath has pleaded, that you promised him we should
advance him 1000 £ in the Course of the winter which he has nearly
received, so that he has anticipated the credit he now receives
by the NW^o 1791, to the amount of 1200 £. After all if the
advance should not be inconvenient on your side the water, I
think you would do well to execute his order, as he seems
determined to sport his property, your house may as well
take the Commissions as another

We have nothing to advise from the House to yours, by this
opportunity except our Idea of the amount we may be
obliged to draw for, which you will please to communicate
with Compt^s to Mr Fraser, - to Mess^{rs} Small & Montour

I remain

Dear Sir

Yours Sincerely

James Hallowell
