My dear Sir

Quaker Austin & Col: Porter

have been teasing the Governor to grant them Warrants to survey the tracts they have applied for, and they inform me that he was told them, that he looks for letters by the November Packet boat that will enable him to make a commencement in the Land granting Department.

M<sup>r</sup> Frobisher is to call his Township Ireland, M<sup>r</sup> Todd calls his Coleraine, M<sup>r</sup> Montour wishes his may be named Wolfestown, Pray inform me how you wish yours to be called, and M<sup>r</sup> Mc Gillevray's, and M<sup>r</sup> Chalobilliz; Have the goodness to ask M<sup>r</sup> Frobisher, what M<sup>r</sup> Roberts Township should be called

M<sup>r</sup> J. C. Stewart has asked for Somerset, and M<sup>r</sup> M<sup>r</sup> Kinzie for Wedon: but there's another name still wanting: it seems to me there was ten in all.

I amon M<sup>r</sup> Fawish Esq?

Remain with sincerity  
your faithful Obedient serv.

Handwritten text, likely bleed-through from the reverse side of the paper. The text is mirrored and difficult to decipher due to the cursive script and the paper's condition.

Vertical handwritten text on the right side of the paper, possibly a recipient's name or address. The text is written in cursive and is partially obscured by the paper's folds.

Small handwritten notes or markings on the far right edge of the paper, near a small tear or hole.
