Montreal 5 July

Dear Sir

In looking over your Letter of 19  
May 1807 which accompanied a Statement of the  
Success from your Brother to Mr. Todd & to me  
I remark a number of the Acres of town for me  
then registered & others on which the Decree is  
not based, nor do I find by any of your sub-  
sequent accounts that these things have been  
done, tho' impossible to state the propriety  
completely in the transcript I hope this will  
show that your Brother is returned that he will  
not longer obey, the having the transcript com-  
pleted as by Agreement of 13 July 1802 in con-  
sultation <sup>to Mr. Wainwright</sup> he is become to do — It is proper for me  
now to mention that the 500 Acres in Longue Pointe  
are accepted in lieu of the 700 which were to be  
given in Dartmouth, and for this I have to  
remark that I have not nor has Mr. Todd had  
account of a deed for 300 Acres in Dartmouth  
from Mr. Lamer having been completed — Mr.  
Todd's business calling him to England, we were  
both desirous of making up our respective quantities

and

Mr. Todd, in whose name, & great part of the Trustees,  
 were made & who would have had to make over  
 to me 1175 acres, which however he declined doing  
 because of the Patents being with you - I now need  
 a note of them & request you will have the government  
 to send them down, or a certificate that they are in  
 your possession, as a part for Mr. Todd & me - I  
 have his full power to sell his lands with my own  
 or a part, and probably some other may be made  
 to you, which if happening I hope you will write  
 & let me to inform me of it. Mr. Todd writes

me from Dublin that Mr. Crocker has purchased  
 Major Corry's lands at 7/6 p. acre Cash - from  
 this you may be able to judge of prospects -

In return for the trouble I give you

I can only say that I am very ready to serve  
 you here, being with great regard

Dear Sir

Your obedient Servant  
James Wolfe

Thomas Dickson Esq
