Dear Mother

I received your kind letter of the 10th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in the same place and doing the same work. I have not seen any of the old friends here. I have not time to write you more than a few lines. I must close for this time. Write soon. I am your affectionate son
