Dear Sir

Had your former letter been
relatives to the land purchased by Taylor from
Whitcomb and I intended to have seen you
last week on my way to Healds but
went of early in the morning from Pitkin
I can give no other answer about the land than
I did before viz that either Taylor or some other
person told me Mr Taylor had purchased a lot
on the River John Road within Dubois's grant
Wmms Account Thelien knows nothing about
it if you will lend me the paper or letter
you have connected with the transaction I will
endeavour to give some information on the subject
yours truly

Wmms
