

My Dear Father & Mother

I arrived here
to day in the City of Edinburgh
with my Margaret; all
safe & sound. I wrote
to you from Glasgow
but you have not yet
got my letters

I have sent by
Coach a newspaper
& note, and now write

again by Mr Prop
In case you should
not receive the package
on Wednesday evening.

As you may have
some comminions here,
and Margaret would
like to see the place I
will wait to hear from
you. Perhaps you could
write by Thursday stage,
so that I might come

on Friday. I got to
do on Thursday's mail,
and I can wait till
Wednesday, though that
is longer than I could
wish.

I have money enough for
expenses.

I am glad to have
arrived in time for the
Spring business, to which
I hope to attend most
obediently.

I will be very thankful
if you can ~~not~~ have every
thing sent for us when
we arrive. I hope you
will be pleased with all
my proceedings, and am
sure you will be with Mrs.
Garet.

I am your affectionate son
W. Dawson

P.S. Please tell me if you have
recd the map I sent by mail
and if of wholesale & if res-
tail will be a paper (uncol-
ored) (The maps are coming with our
goods in the Lucius Casey)
