Glasgow 17 April 1857

Dear Sir

We have now the pleasure to hand you prepared Invoice of Goods ^{but} per "Agnes Sophie" from Glasgow and "Hyades" from Liverpool as per enclosed Bills of lading. We are sorry we could not send all from here owing to your letter of 20 July with remittance not reaching us till 20 March 57 - we were late for this with one Box. We have also to acknowledge your letter of the 8th Ult^o with remittance safe - We have noted to pay Messrs L & Co their ^{share} out of proceeds when due - Messrs Sutherland & Co have not yet called for their share but we will pay it when they call or send note of amt. We are very sorry to hear you complain of trade so much with you. Owing to the scarcity and high price of paper here of late papers of all kinds have advanced in price, this is telling very much against us
