Dear Gen Foster

Yours of 23<sup>rd</sup> Nov  
arrived today. Many  
thanks for your remittance  
sum. It will be  
quite sufficient. I was  
very much grieved to  
hear of Mrs Harris's  
death. Please say  
I am of the family  
you see that we  
are very much sympathetic  
with them in their

affection.

I thank you  
for your attention  
to the Seal, Journal,  
I told Oliver &  
Boyd when in Selling  
to change the address  
drop of the Atterbury,  
but if you wish it  
to be discontinued, I  
shall arrange for  
it here.

I mentioned in my  
last that Rumsey  
has received the  
books.

I shall wish to re-  
ceive them in a  
few days; as books  
take longer to come  
than letters. There  
is a set of the  
maps here, which  
is the work I sent  
for the books.

I hope Mr Snow  
will not copy my  
address from the  
paper as there are  
many mistakes. It  
will be better to wait  
for the pamphlets  
also sent, which  
are more correct.

As I write so  
late, I say no more,  
except to give our  
best love to you &  
Agnes. Wore all well  
Yours affectionately  
William
