Dear Mrs

Your last favor
received & remarkably noted. Enclosed
we send an a/c which we hope
you will find correct. Your pay^{able}
of our a/c should be \$25.88 instead
of 25.88⁰⁰; We send your D^r a/c to
July 1st on the cr side we included 100
received July 6: Does not this a/c for
the discrepancy? The error in chang^{ing}
Choureed turn occurred by its being
put on our Cash Book & in posting bill
from D. Book, we only looked at the amt.

If you cannot make this
correspond with your a/c please notify
us & we will give you the details,
truly your friend
